Forecast For Wales
Issued by Met Office Exeter
at 1600 on Friday 23 Jul 2021

++ Valid for broadcast between 1800 and 0600

Headline:
The fine weather giving way to thunderstorms in the south.

This Evening and Tonight:
Another very warm evening with hazy sunshine. Any thundery showers will slowly fade before rain, possibly heavy and thundery at times with gusty winds, will arrive in the south of the country by dawn. Another warm night. Minimum temperature 14 deg C (57 deg F).

Saturday:
Heavy and thundery rain clearing from the south through the morning. Locally torrential thunderstorms will develop in the south through late afternoon. Pleasant elsewhere with sunny spells and less hot. Maximum temperature 25 deg C (77 deg F).

Outlook for Sunday to Tuesday:
A fine day on Sunday away from the southeast, where locally torrential thunderstorms will develop. Scattered showers on Monday, before a band of rain crosses early Tuesday, followed by showers.
